### REUTER'S MESSAGES.

#### INDIAN FINANCE.

LONDON, September 7th.

Tenders for the ten days' slight drafts on Bombay amounted to Rs. 29,100,000, of which one hundred lakhs were accepted at an average of Rs. 4 1/2 p. Tenders at Rs. 4 3/4 p. received about 11 per cent., and lower ones in full.

#### MURDER OF THE GERMAN GOVERNOR OF NEW GUINEA.

The German Governor of New Guinea has been killed by the natives.

#### THE PEACE NEGOTIATIONS.

In consequence of a note from M. Moravieff implying that Great Britain was responsible for the evils resulting from the delay in the conclusion of peace, Lord Salisbury has now proposed an international commission of six members to control the Greek revenues, sufficient to cover the services of the old and new loan, accompanied by the prompt evacuation of Thessaly.

(From L'Avant du Tonkin.)

#### RISE IN BELUCHISTAN.

PARIS, August 31st.

A report has been received from Simla that a point in Beluchistan was attacked on the night of the 29th August. The garrison and several travellers were killed.

#### LOCAL AND GENERAL.

MR. R. WILKINSON, the new U.S. Consul at this port, arrived here by the Belgic this morning.

RINDERPEST in Osaka is very prevalent at present, over 50 head of cattle dying every day.

COLONEL GILFORD, Political Agent in the Chittaur District, has broken his leg at Ziarat through a fall from his horse.

THE Japanese telegraph lines beyond K. are reported to be entirely interrupted and telegrams to Yokohama and Tokyo are being despatched by train from Kobe.

MR. GORDON, of Minnesota, who succeeds Mr. T. R. Jernegan as Consul-General of the United States at Shanghai, arrived at Shanghai by the Belgic on the 6th inst.

THE contract between the Cotton Spinners' Association and the Nippon Yusen Kaisha for the carriage of raw cotton from Bombay to Japan will probably be signed at an early date.

H.M.S. Undaunted will go into dock at Hongkong at 7.30 a.m. on Friday next for an overhaul and to have her bottom painted. We believe she is to have her screw shafts taken out and overhauled.

THE many friends of Colonel Hunt, the popular ex-Consul for the U.S. at Hongkong, will regret to hear that he takes his departure for the Far East by the American small steamer China on Saturday.

It appears as if Chinese gambling will never cease till the advent of the Greek Kalends. Play is reported to be carried on to a great extent in specially chartered junks and launches and also in the larger brothels of Tientsin.

Private Chinese clubs have ceased to admit strangers for the time being, but at Kowloon City the business is said to be as brisk as ever.

Some time ago we (Globe) mentioned that the "X" rays had wrought a cure of consumption in a French youth, and we have now to add that another case of acute tuberculosis has been treated with success in France by Drs. Chanteloup, Descombes, and Rouille.

After 30 applications of the rays, the patient is almost cured. No medicine was given.

We hear that six electric table fans are now on their way out from England and on arrival will be distributed among the fleet as an experiment. The inhabitants of hot and stuffy wardrooms will doubtless hail their advent with joy. They have been in use on many small steamers for about five years and one was to be seen bustling away in the Furber's cable on one of Pacific Mail Co.'s Hongkong-Panama liners a few months ago.

A BARBER named 'Long' Kot was charged at the Magistracy today with administering a stupefying drug to a woman and robbing her of two gold rings and a gold earring at Shun-ki-wan. It appears that after she had drunk some wine which had been offered to her by the defendant she fell back and soon became unconscious. Then he took the jewelry and left the house so early, but was found and arrested near the ferry-launch wharf. The case stands adjourned till Saturday.

A GREAT boom in auctioneering is promised in Paris by next spring. The Exhibition year, 1900, being too far off to wait. A company promises to have at least 500 autocrats on the streets of Paris by the end of the present year, and about 4,000 before next summer. It is stated that they will be worked by electricity stored in accumulators and the name "chauffeurs" has already been found for the drivers. One translation of that term is "bandits who burned people."

In connection with the monetary loss to the dismissed police officers, it is the rule that dismissal carries with it the loss of pension. Pensions of from £80 to £100 a year the capitalised value of which would vary from \$10,000 to \$15,000, were due to those officers, according to age, health, &c.

THE heavy rain that set in shortly after 2 p.m. today came as a pleasant change after the oppressive heat of the past few days. It is true that the downpour was not fully appreciated by many, who were caught out in white clothes, but it certainly did a lot of good otherwise. It does not take many days of heat to make some of the gutters, side channels and sewers pestilential and a flushing like they received to-day should go far towards putting them into a wholesome condition.

MR. S. SHIMIZU who has for the past five years ably represented the Japanese Government in this colony, has been transferred to another portion of Her Majesty's dominions, Vancouver to wit, and will leave here the day after to-morrow bound for British Columbia via Tokyo. Mr. Shimizu will be succeeded by Mr. S. Takagi. We understand that Mr. Shimizu's transfer is to the nature of a promotion in the Consular Service, and we feel sure that in wishing him a pleasant holiday in Japan and success in his new post, where the alien question will doubtless require the exercise of the great tact and ability which he is so well able to bring into play, we are merely echoing the sentiments of all who have the pleasure of his acquaintance.

MR. ARTHUR SPENCER, the well known aeronaut of 14, Regent-street, Holloway, had a narrow escape from death at Reading on the 5th ultimo. A kite was in progress at Prospect Park, about a mile and a half from the town, and among the attractions was a balloon ascent. This was to have taken place at half-past six, but about five minutes before the advertised time of starting the stout wire cable which held down the inflated balloon suddenly parted, and the huge mass of silk soared rapidly upwards. Mr. Spencer was holding on to the guide ropes at the time of the accident, and was carried into the air, dangling like a marionette at the end of a piece of string, fully 12 ft. below the car. With marvellous presence of mind, however, he not only managed to retain his hold, but actually swung himself into the car. When lost sight of the balloon was drifting in the direction of Newbury. Mr. Spencer had neither grappling iron nor ballast with him, but little fear was entertained for his safety.
